

CORONA VIRUS

Polperro Community Council is committed to supporting all residents of Lansallos Parish through the challenging times brought about by the coronavirus pandemic.

We are seeking to compile a list of volunteers who would be willing to help the more vulnerable members of our community.

Picking up and delivering prescriptions, shopping for and delivering food and other provisions, walking dogs and help with other pet care are some of the possible ways volunteers may be able to help.

Let us know if you can think of other ways we may be able to offer support to vulnerable residents.

Do you know anyone who needs help or support now or any members of our community who may be physically isolated in rural areas? Is there a way we can keep in touch with them? Polperro Post Office will act as the hub for co-ordinating any efforts. Drop in and have a chat with Jude, email judemullarkey@aol.com, contact her on Facebook or give her a call on 01503 272225. You can also contact the Council Chairman, David Pengelly, by mobile phone 07896 517768.

Thank you all and stay safe.
